**CASE MANAGEMENT AND
PRETRIAL ORDER (JURY)**

Following the case management conference held on March 8, 2021, IT IS HEREBY ORDERED THAT a further case management conference will be held on September 13, 2021 at 1:30 p.m. in this Court located in Courtroom C on the 15th Floor, 450 Golden Gate Avenue, San Francisco, California 94102. Except as modified by the Order, the Court adopts the dates set forth in the Joint Case Management Statement. (Docket No. 20.) Pursuant to Federal Rule of Civil Procedure 16, IT IS FURTHER ORDERED THAT:

I. TRIAL DATE

A. Jury trial will begin on October 11, 2022 at 8:30 a.m. in Courtroom C on the 15th Floor, 450 Golden Gate Avenue, San Francisco, California, 94102.

B. The length of the trial will not be more than seven days.

C. Trial normally will be conducted from 8:30 a.m. to 2:00 p.m. (or slightly longer to finish a witness) with two fifteen-minute breaks, Tuesday through Friday excluding holidays. If there are issues that must be addressed outside the presence of the jury, the Court shall address those issues at 8:00 a.m. This schedule may be modified at the discretion of the Court.

II. DISCOVERY

A. To assist the Court in evaluating proportionality with respect to any discovery

1 disputes, the parties shall include an estimate regarding the value of the case, including a good
2 faith assessment of damages, in their further joint case management statement due September 6,
3 2021.

4

- 5 **B.** All non-expert discovery shall be completed no later than February 25, 2022.
- 6 **C.** Initial expert disclosures shall be made by no later than March 11, 2022.
- 7 **D.** Rebuttal expert disclosures shall be made by no later than April 08, 2022.
- 8 **E.** All expert discovery shall be completed no later than April 29, 2022.

9 **III. MOTIONS**

10 The last day for hearing dispositive motions shall be July 11, 2022. If the parties plan to
11 file cross-motions for summary judgment, the parties shall meet and confer and agree to a briefing
12 schedule whereby:

- 13 • one party files an opening summary judgment motion by May 23, 2022;
- 14 • the other party shall file its opposition and cross-motion by June 06, 2022;
- 15 • the reply and opposition to the cross-motion is due by June 20, 2022;
- 16 • the reply in support of the cross-motion is due by June 27, 2022.

17 If the parties want to file dispositive cross-motions before the deadline, they shall stipulate
18 to a similar briefing schedule whereby one party files an opening summary judgment motion
19 seven weeks before the hearing is scheduled to be heard, the other party shall file its opposition
20 and cross-motion five weeks before the hearing, the reply and opposition to the cross-motion is
21 filed three weeks before the hearing, and the reply in support of the cross-motion is filed two
22 weeks before the hearing. If only one side intends to file a motion for summary judgment, the
23 briefing schedule set forth in the Northern District Local Civil Rules applies.

24 **IV. ALTERNATIVE DISPUTE RESOLUTION/SETTLEMENT CONFERENCE**

25 The deadline to conduct alternative dispute resolution is August 25, 2021.

26 **V. PRETRIAL CONFERENCE**

27

- 28 **A.** The pretrial conference will be held on September 09, 2022 at 1:30 p.m.

1 **B.** At least 28 days before the pretrial conference, lead counsel and/or the parties if
2 *pro se* shall meet and confer regarding preparation of the joint pretrial conference statement,
3 preparation and exchange of pretrial materials to be filed (including jury instructions, verdict
4 forms and voir dire), and settlement of the action.

5 **C.** At least 14 days before the pretrial conference, counsel and/or parties shall serve
6 and file a joint pretrial statement. The pretrial statement shall include the following:

7 1. A brief description of the substance of claims and defenses which remain to
8 be decided.

9 2. A detailed statement of all relief sought, itemizing all elements of damages
10 claimed.

11 3. A statement of all relevant undisputed facts to which the parties will
12 stipulate for incorporation into the trial record without the necessity of supporting testimony or
13 exhibits.

14 4. A statement of all relevant disputed facts which remain to be decided.

15 5. A brief statement of disputed points of law concerning liability and relief.

16 Legal argument on these points shall be reserved for the trial briefs.

17 6. A statement of any motions or other matters that must be resolved prior to
18 trial.

19 7. A statement of whether bifurcation or a separate trial of specific issues is
20 feasible and desired.

21 8. An estimate of the number of hours needed for the presentation of each
22 party's case.

23 9. A statement summarizing the status of settlement negotiations and
24 indicating whether further negotiations are likely to be productive.

25 **D.** At least 14 days before the pretrial conference, counsel and/or parties shall also:

26 1. Serve and file trial briefs (not to exceed 10 pages), which shall specify each

1 cause of action and defense remaining to be tried, along with a statement of the applicable legal
2 standard. No opposition shall be filed. The trial briefs should also state which issues, if any, are
3 for the Court to decide, rather than the jury.

4 2. Serve and file a list of deposition excerpts for witnesses who will not testify
5 in person (specifying the witness and the page and line references to the deposition transcripts)
6 and other discovery responses that will be offered at trial. If there are objections and/or requested
7 counter-designations, the parties shall provide these, as well as the basis for the objections and the
8 response thereto.

9 3. Serve and file a list of all witnesses to be called at trial, in person or by
10 deposition, other than solely for impeachment or rebuttal, with a brief statement describing the
11 substance of the testimony to be given.

12 4. Serve and file a numerical list of exhibits that will be offered as evidence in
13 a party's case in chief in support of a claim or defense, with a brief statement describing the
14 substance and purpose of each exhibit and the name of the sponsoring witness. For the disputed
15 exhibits, the parties shall file a joint chart. The first column should describe the exhibit, the
16 second column should briefly describe the basis for the objection, the third column should briefly
17 describe the response thereto, and the fourth column should provide a space for the Court's ruling.

18 E. **Motions in Limine.** The parties are encouraged to resolve as many trial issues by
19 stipulation as possible. The parties shall meet and confer at least 35 days before the pretrial
20 conference to determine whether any evidentiary issues may be resolved by stipulation. No party
21 may file a motion *in limine* without first making a good faith effort to resolve the evidentiary issue
22 with opposing counsel.

23 1. Please limit motions *in limine* to circumstances that require an advance
24 ruling. No more than five motions per side will be allowed. If a party seeks to file more than five
25 motions *in limine*, they must file an administrative motion at least 14 days before the motions *in*
26 *limine* are due to be served on opposing counsel, demonstrating extraordinarily good cause for

1 allowing the excess motions. The administrative motion should summarize the subject matter of
2 each proposed additional motion *in limine*.

3 2. The motions *in limine* shall be served, but not filed, at least 30 days before
4 the pretrial conference. The oppositions shall be served, but not filed, at least 20 days before the
5 pretrial conference. The Court does not permit reply briefs. At least 14 days before the pretrial
6 conference, the parties shall file the motions *in limine* and submit them to Chambers collated in a
7 binder. In the binder, the motions shall be separated by tabs (e.g., Tab 1: Plaintiff's Motion *in*
8 *Limine* No. 1 re:; Tab 2: Defendant's Opposition to Plaintiff's Motion *in Limine* No. 1, and so on).
9 The binder containing all motions *in limine* should be submitted to the Clerk's office in an
10 envelope clearly marked with the case number and "SK chambers copy."

11 3. Each motion *in limine* should address a single, separate topic, and contain
12 no more than seven pages of briefing per side. Leave of Court will be required to exceed the page
13 limitations. Motions should be clearly identified as "____'s Motion in Limine No. __ re
14 _____" If the content of an exhibit is necessary to the resolution of a motion *in limine*, that
15 exhibit must be attached to a declaration in support of that motion.

16 **F. Jury Instructions.** At least 14 days before the pretrial conference, the parties shall
17 file a joint set of proposed jury instructions on substantive issues arranged in a logical sequence.
18 The parties shall use the Ninth Circuit Model jury instructions where possible. Any language a
19 party proposes to remove from a model instruction must be designated with a ~~strike~~through and
20 language proposed to be added to a model instruction must be underlined. If a model instruction
21 includes bracket language or blanks, the parties must provide the Court with the appropriate
22 language or blanks completed.

23 1. The parties should include proposed text for all proposed jury instructions,
24 even for any form preliminary instructions, general instructions or concluding instructions on
25 which they agree. If undisputed, an instruction shall be identified as "Stipulated Instruction No.
26 __ re _____. Even if stipulated, the instruction shall be supported by citation.

1 2. If, after meeting and conferring in good faith, the parties cannot agree on a
2 proposed jury instruction, each party's proposed version shall be provided and identified as
3 "Disputed Instruction No. __ re _____, Offered by _____," with blanks filled in as
4 appropriate. All proposed versions of the same instruction shall bear the same number. If a party
5 does not have a counter version and simply contends that no such instruction in any version shall
6 be given, then that party should so state (and explain why in the separate memoranda required by
7 paragraph 3) on a separate page in lieu of an alternate version.

8 3. The parties are encouraged to keep disputed instructions, as well as
9 instructions that vary from the Ninth Circuit Model jury instructions, to a minimum. To the extent
10 they are unable to resolve their disputes, the Court requires complete briefing on disputed
11 instructions. Thus, a party supporting an instruction must submit a separate memorandum of law
12 in support of its disputed instructions, organized by instruction number. Counsel shall quote
13 exact, controlling passages from the authorities and provide citations with pin cites. The party
14 opposing a given instruction, or instructions, must include a responsive brief to the supporting
15 party's memorandum, organized by instruction number. The responsive brief also shall quote
16 exact, controlling passages from the authorities and provide citations with pin cites.

17 **G. Verdict Forms.** Parties shall file their joint verdict form at least 14 days before the
18 pretrial conference. If, after a good faith effort to meet and confer, the parties cannot agree on a
19 joint form, the parties may submit separate proposed verdict forms. If the verdict form is disputed,
20 each party shall explain, in no more than one page, which its proposed verdict form should be
21 given.

22 **H. Voir Dire.** Parties shall file their proposed questions for voir dire at least 14 days
23 before the pretrial conference.

24 1. During the voir dire, the Court will elicit the jurors' basic biographical
25 information through its own questioning (*e.g.*, current employment, marital status, past jury
26 service), so those subjects need not be included in the parties' proposed set of questions.

1 2. If, after meeting and conferring, the parties cannot agree on a joint set of
2 voir dire questions, the joint set may be supplemented as necessary by separate requests for good
3 cause only. Please keep these to a minimum.
4

5 3. At least 14 days before the pretrial conference, the parties shall jointly file a
6 proposed statement of the case to be read to the jury during voir dire. Unless the case is extremely
7 complex, this statement should not exceed one page, double spaced.
8

9 **I. Pretrial Binders.** At least 14 days before the pretrial conference, counsel and/or
10 parties shall provide to chambers a binder with the following, separated by tabs: their pretrial
11 statement, trial briefs, deposition excerpts and other discovery responses (including any objections
12 and/or counter designations), witness lists, exhibit lists, jury instructions (including the supporting
13 and responsive memorandum), verdict forms, and voir dire. In a separate binder, the parties shall
14 provide the joint exhibit chart with the objections and copies of the disputed exhibits, separated by
15 tabs. (The parties should not file the copies of the disputed exhibits.) These pretrial binders should
16 be submitted to the Clerk's office in an envelope clearly marked with the case number and "SK
17 chambers copy."
18

19 **J. CD-ROM.** The parties also shall submit to the Clerk's office in an envelope
20 clearly marked with the case number and "SK chambers copy" a CD-ROM. The CD-ROM shall
21 contain copies of the following in Microsoft Word format: the jury instructions (including all
22 stipulated and disputed instructions, but not the memorandums), the proposed voir dire, the
23 statement of the case, the joint disputed exhibit chart, and any proposed special verdict forms.
24

25 **VI. TRIAL PROCEDURES**

26 A. Should a daily transcript and/or realtime reporting be desired, the parties shall make
27 arrangements with Richard Duvall, Court Reporter Supervisor at (415) 522-2079 or
28 Richard_Duvall@cand.uscourts.gov, at least 14 days prior to the trial date.

29 B. During trial, counsel may wish to use the technology available in the Courtroom. If
30 that is the case, the parties shall refer to the Court's Website regarding Courtroom Technology at:
31

1 http://cand.uscourts.gov/courtroomtech. If the parties prefer to use the Court's equipment rather
2 than their own, 28 days before the pretrial conference they should contact the Court's Courtroom
3 Deputy to determine whether an evidence cart is available. The parties may also consult with the
4 Courtroom Deputy regarding courtroom layout issues.

5 If the parties intend to use their own equipment, or intend to use equipment in
6 addition to the equipment available through the Court, it should be shared by all counsel to the
7 maximum extent possible. In addition, the United States Marshal requires a court order to allow
8 equipment into the courthouse. For electronic equipment, parties should be prepared to maintain
9 the equipment or have a technician available at all times. For overhead projectors, the parties shall
10 provide a spare bulb. The parties shall tape extension cords to the carpet for safety. The parties
11 shall be prepared to disassemble and store all equipment in the courtroom at the end of each court
12 day.

13 C. Jurors may take notes. Note pads will be distributed at the beginning of each trial.
14 The note pads will be collected at the end of each day and locked in the jury room. Jurors will be
15 instructed on the use of notes both in the preliminary and final jury instructions. The Court may
16 permit the jury to pose written questions to witnesses.

17 D. At the close of each trial day, all counsel shall exchange a list of witnesses for the
18 next two full court days and the exhibits that will be used during direct examination (other than for
19 impeachment of an adverse witness). Within 24 hours of such notice, all other counsel shall
20 provide any objections to such exhibits and shall provide a list of all exhibits to be used with the
21 same witness on cross-examination (other than for impeachment). The first notice shall be
22 exchanged prior to the first day of trial. All such notice should be provided in writing.

23 E. It is the Court's preference that where the parties identify the same witness, the
24 parties should call that witness once during the trial, unless either party can show that they would
25 be prejudiced by this procedure. When the Court follows this procedure, the Court allows a
26 defendant to reserve the right to move for judgment as a matter of law, and the Court will only
27

1 consider evidence presented by the plaintiff as part of the plaintiff's case-in-chief when evaluating
2 that motion.

3 F. A witness or exhibit not listed in the joint pretrial order may not be used without
4 good cause. This rule does not apply to true rebuttal witnesses (other than rebuttal experts who
5 must be listed). Defense witnesses are considered case-in-chief witnesses, not "rebuttal"
6 witnesses.

7 G. At trial, direct testimony of experts will be limited to the matters disclosed in their
8 reports. Omitted material may not ordinarily be added on direct examination. Illustrative
9 animations, diagrams, charts and models may be used on direct examination only if they were part
10 of the expert report, with the exception of simple drawings and tabulations that plainly illustrate
11 the content of the report, which can be drawn by the witness at trial or otherwise shown to the
12 jury. If cross-examination fairly opens the door, however, an expert may go beyond the written
13 report on cross-examination and/or re-direct examination. By written stipulation, all parties may
14 relax these requirements. The Court will not permit Federal Rule of Evidence 703 to be used to
15 admit otherwise inadmissible evidence through the expert (*i.e.*, through the "back door"). At its
16 discretion, the Court may require the parties' expert witnesses on a particular subject matter to
17 testify immediately following one another, with appropriate explanatory instructions to the jury.

18 H. Counsel must consult with each other and with the deputy clerk at the end of each
19 trial day and compare notes as to which exhibits are in evidence and any limitations thereon. If
20 there are any differences, counsel should bring them promptly to the Court's attention.

21 I. In general, in addition to the official record exhibits, the Court requires two copies
22 of the joint set of bench binders that contain copies of the exhibits. Counsel shall provide these
23 binders to the Court on the first day of trial. Each exhibit must be separated with a label divider
24 (an exhibit tag is unnecessary for the bench sets). In large letters, the labels should identify the
25 range of exhibit numbers contained in a binder.

26 J. Before the closing arguments, counsel must confer with the Courtroom Deputy

1 Clerk to make sure the exhibits in evidence are in good order. Before the case goes to the jury,
2 counsel shall prepare an easy-to-read index of admitted exhibits, which should include all exhibits
3 actually in evidence (and no others) stating the exhibit number and a brief, non-argumentative
4 description (e.g., letter from A. B. C., dated August 17, 1999).

5 K. Ordinarily, the Court shall set fixed time limits at the final pretrial conference. All
6 of counsels' examination time (whether direct, cross, re-direct or re-cross) for all witnesses and
7 side bar conference time must fit within the time limits and may be allocated as counsel wish. The
8 time limits for opening statements and closing arguments shall be considered separately. Counsel
9 must keep track of everyone's usage. At the end of each day, counsel must confer over the time
10 used and the time remaining for all parties and advise the Court daily. If a party requests a side
11 bar to argue an objection, and the Court overrules that party's objection, the Court may charge the
12 time spent at side-bar to that party.

13 **IT IS SO ORDERED.**
